Why Intern With Us?

Make Your Mark

Our small company means you can make a big impact. Your expertise will help benefit our organization.

Experience Everything

We open our whole corporation to you to explore what you're most interested in.

Learn By Example

Soak up the opportunity to learn from two to three experienced mentors chosen specifically for you.

Build Your Strengths

Experience strengths-based training and gain greater professional and personal self-awareness.

Be Developed

It's our goal to help you grow and develop your skills to boost your future potential.

Set Goals

Get the most out of working with us by setting your own learning goals with your supervisor.

Get Paid

We value your time and think you should be monetarily rewarded for your hard work.

What We Do

We listen to our customers' needs and innovate solutions to help them expand their businesses. We have been an insurance industry partner for over 50 years, gaining knowledge, experience, and expertise that we continue to utilize to elevate our business model and expand into new areas. We tailor our business services to meet customer needs and provide them with progressive customer services and solutions.

Mission: Providing customer-centered solutions

Vision: Distinctly leveraging expertise, discovering needs, and innovating results

Values: Integrity, Respect, Courage, Excellence, Diversity, Innovation, Stewardship
